What are the hours of the Early Childhood Program?
The hours are from 8:50 to 3:10 Monday through Friday. The program follows Goodwin School’s academic calendar.

What are the chances for admission?
Though we will have a maximum capacity for the 2020-21 school year, it is our goal to admit all students who will be four by August 31, 2020. We hope to be able to admit most students who have turned 3 by this date but are not four by August 31st. If we can’t admit all students who apply, we will create a waiting list.

Is financial aid available?
We participate in Care4Kids. Anyone who qualifies for this program can use those funds for our program. Please inquire about this process if you have questions.

How many classrooms are there?
This year, there are four classrooms. In 2020-21, we are planning to add a fifth classroom, if needed.

What is the composition of the classrooms?
The classrooms mirror the composition of the other classes at Goodwin. There is a heterogeneous mix of students with and without learning challenges.

What is the staffing in each classroom?
Each classroom has a certified teacher, and para educator. Some of the classrooms are staffed with a special education teacher. All resources afforded all students at Goodwin are available such as: nursing, speech pathologists, physical and occupational therapists, school psychologist, school counselor, school social worker, art, music, physical education and computer teachers and a library media specialist.
